EXTRA FANCY RED YAMS **2** LBS **15** ^c

FINE FOR BAKING BANANA SQUASH THICK MEAT **2** ^c lb.

FINE ASSORTED Mixed Nuts **35** ^c lb.

R. C. Increases Blood Supply To Korea

Red Cross Blood Service officials were told this week that reverses in the Korean fighting will necessitate an immediate 50 per cent increase in the amount of whole blood to be sent by the Red Cross to the fighting front.

The announcement came in the form of an urgent telephone message from the Pacific Area Red Cross office in San Francisco. The exact amount of blood to be sent under the new quota is still restricted information.

The increased blood quota came close on a favorable production report by the Red Cross blood recruitment committee which showed that almost 10,000 donors had responded to the Red Cross plea for life giving blood.

The monthly report showed that 9742 productive donors—a gain of 613 over September—responded to the plea. The figure represented the closest approach so far reached by the Red Cross toward a goal of 20,000 pints of blood per month set in anticipation of Civil Defense needs. Mrs. H. B. K. Willis, chairman of the blood recruitment committee pointed out.

Brownie Troop Has Active Program

Brownies of Troop 184 were treated to a Halloween party on October 25 at the home of their leader, Mrs. Clea Stoddard, who was assisted by co-leaders, Mrs. Lucille Fletcher and Mrs. Nancy Dibbern, and Mrs. Beverly Dyer.

The girls had their fortunes told by Mrs. Dyer, bobbed for apples, popped pop-corn and toasted marshmallows. Mrs. Stoddard furnished Halloween candy favors, and the four mothers served home-made pumpkin pies. During the festivities the girls posed for snapshots for the Troop scrap book.

November 1 the troop split into two groups for short hikes. One group, led by Mrs. Fletcher, gathered fall leaves, while the other, with Mrs. Stoddard, searched for materials for fire-building.

On November 8, the meeting was held at the home of co-leader Lucille Fletcher, assisted by Mrs. Helen Thomas. The girls learned and sang songs, accompanied at the piano by the two mothers. Refreshments of cookies and cocoa were served.

November 15, following the regular business meeting at Mrs. Stoddard's home, the time was spent making Thanksgiving table favors. Wooden spoons, dressed in black crepe paper, made attractive Pilgrim dolls, while gum drops and uncooked spaghetti formed the basis for clever and edible Thanksgiving turkeys.

Dr. Jones Speaks At L.H.S. Confab

Dr. Esther Lloyd-Jones, Columbia University, spoke to a Los Angeles County Teachers' Institute at Leuzinger High School recently on the subject, "Mental Health in the Classroom."

Dr. Jones outlined ways and means whereby a teacher might develop a sound mental health program in the classroom. She told of students being given a group of 25 students to work with over a period of four years in order to help them to develop sound mental attitudes, it is reported by Wallace Lyman, principal-elect of the Hawthorne High School.
